

Yukihiro Matsuyama - Chair of JSSR

Dear Yukihiro Matsuyama,

On behalf of The SPINE20 Executive and Scientific Committee, we would like to remind the invitation to the **SPINE20 Annual Meeting: "Spine Care for People's Health and Prosperity"**, taking place in hybrid format on 17 - 18 September 2021 in Rome: a Side Event during the presidency of Italy at the G20 forum.

SPINE20 is an advocacy group founded in 2019 by EUROSPINE, North American Spine Society, German Spine Society and Saudi Arabia Spine Society, and now counting more than twenty national and international Spine Study Society, in an effort to improve spine care on a global level through recommending policies in the G20 countries that help them alleviate the burden of spine diseases through various means, including stimulating better spine health, advancing spine research, enhancing spine innovation pathways, and improving spine care and treatments. The ultimate goal of SPINE20 is to provide recommendations that could optimize spine care options for communities and patients worldwide.

We are looking forward to your valuable participation to achieve together with all faculty from all over the world a successful meeting that should make a wonderful history for the second **SPINE20 Annual Meeting**.

We would like as well to mention that we would take care of your registration, waiving the fee in case you confirm your participation. Furthermore, you are pleased to **extend this invitation to 5 members of your association**, they will be granted a **complimentary registration from remote as Active Participants**, so they will have the opportunity to watch the recommendations in advance and give their input and expert opinion during the live streaming.

Please get in touch with the organizing secretariat OIC, infospine20@oic.it to get directions and register to the Meeting as Active Participants.

We kindly ask you to spread the invitation among all your members, they are all welcome to participate as **Attendee, registration is free of charge**, and they will have the opportunity to follow the meeting in streaming.
